

Under the Same Sky

Earth Tales and Sky-tales from around the Globe.
Produced by Cassandra Wye and John Namai.
Funded by British Council Africa

Under the Same Sky - is a cross-cultural collaboration between Cassandra Wye UK and John Namai of Zamaleo Acts Kenya. Cassandra and John co-produced a training programme for emerging storytellers from some of the most marginalised communities in Kenya which culminated in a showcase performance in Swahili, Somali and English.

The collaboration continues -

With a series of online training sessions for storytellers and educators around the globe And performances of the showcase by the young tellers at in-person and online events.

If you would like to host a workshop or performance
